Organisational structure

The estate company **Kingma State NSW BV** is the keeper and manager of shares in the **estates and family home**. Shareholders of the estate company participate directly in the capital of this organisation. The shareholdership is limited to family members.

Kingma State BV has **one share** in Kingma State NSW BV. The Dutch 'Stichting Administratiekantoor' (STAK, Administration Foundation) is the keeper of this share and **provides share certificates**. The owners of certificates indirectly participate in the estate company through the foundation and organisation. The certificate ownership is preferred to be granted to family members, in the broadest sense.

In case this is so desired, the management of the country estate can be conducted by **Kingma State Exploitatie BV** under the umbrella of Kingma State NSW BV.
